Assistant Director for Operations

26 August 1948

Acting Chief, FBIB

1. Your attention is invited to the first appearance in the FBIB Daily Report of monitored radio teletype broadcasts.

2. ANSA, Italian Press Service, was until recently covered by the BBC. This coverage was dropped by BBC during the week 18-21 August. It now appears that this coverage can be effected from the Silver Hill Monitoring Station by monitoring radio teletype broadcasts.
